

THE FASTEST GROWING FINTECH

5 years after its launch, **Basikon** has already been deployed in 30+ **financial institutions** across Europe and Africa, with **millions of contracts** managed daily

WHO IS DISRUPTING THE LEASING INDUSTRY?

ASSET FINANCING

- Leasing
- Renting
- Asset management
- Asset as a service
- Pay-per-use

BUSINESS FINANCING

- Commercial loans
- Consumer loans
- SME loans
- Corporate loans
- BNPL

CONSUMER SERVICES

- Mortgages
- Microfinance
- Wallet
- Retail banking & payments
- Insurances

Whatever the type of process, Basikon is the right platform for you!

1
LOW-CODE

User-friendly workflow editor, easy to configure via drag & drop and simple encoding

2
API ONLY

Everything is API-based in Basikon, so anything can be connected in just a few days

3
100% FLEXIBLE

Fully customizable, yet completely maintained, for future-proof growth and innovation

Basikon
